In a few quick steps you can create sweet and simple place settings!

1. Take an 8-1/2" x 11" piece of cardstock and **cut** it vertically to have 2 pieces that measure 4-1/4" x 11".

2. Rotating one piece onto its' side, use your Stampin' Trimmer and **score** at 3" and 7" (*measure both score lines from left edge of cardstock*)

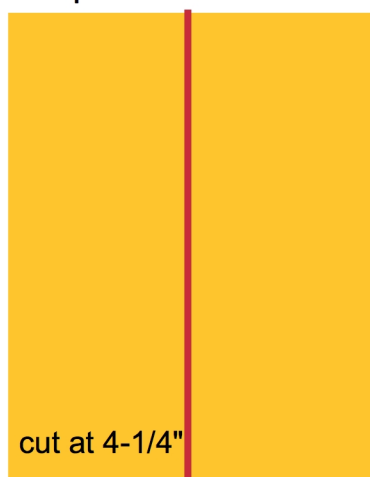

2.a. OPTIONAL: Add texture by embossing the middle panel with your Big Shot.

3. Apply Sticky Strip or Fast Fuse to the left panel and:
a. fold right panel to cover middle piece
b. fold left panel over and adhere to right --
it will cover only 3/4 of the right panel

NOTE: *the place setting should be slightly bowed so you can easily insert a napkin and utensils*

4. Repeat steps 1-3 as many times as needed and then have fun decorating the place settings!
